### DUST CONTROL

---

---

Dust control is applied at the request of the ratepayer or resident.

Coordination and application is as follows:

<b>Product</b>	To be determined by council before application each year
<b>Supplier</b>	To be determined by council before application each year
<b>Eligibility</b>	All <i>Occupied Residential Sites</i> located on a municipal road within the boundaries of the RM of Milton No. 292
<b>Coverage</b>	200 metres x 8 metres
<b>Non-Residential Sites</b>	Dust control requests for non-residential sites must be presented to Council for approval
<b>Cost</b>	The ratepayer is responsible for the cost of applying the product
<b>Site Preparation</b>	The RM is responsible for site preparation
<b>Billing</b>	Quote will be provided by the contractor and the municipality will invoice the ratepayer as per the quote. Invoice must be paid before application. Any additional costs over and above the quote will also be the responsibility of the ratepayer and will be invoiced by the municipality. Invoices are due and payable upon receipt.
<b>Non-Landowner</b>	Invoices are due and payable upon receipt
<b>Payment Terms</b>	Dust control product ordered by a resident who is not a landowner within the municipality must be pre-paid prior to application.
<b>Construction Areas</b>	Upon completion of a construction project the RM may, upon request, provide at no cost one application of dust control at the coverage rate as identified above to any occupied residential site affected by construction. The timing of the application will be made at Council's discretion.
