TRANSPORTATION SERVICES

DUST CONTROL

Dust control is applied at the request of the ratepayer or resident.

Coordination and application is as follows:

Product	To be determined by council before application each year
Supplier	To be determined by council before application each year
Eligibility	All <u>Occupied Residential Sites</u> located on a municipal road within the boundaries of the RM of Milton No. 292
Coverage	200 metres x 8 metres
Non-Residential Sites	Dust control requests for non-residential sites must be presented to Council for approval
Cost	The ratepayer is responsible for the cost of applying the product
Site Preparation	The RM is responsible for site preparation
Billing	Once we receive the final invoice from the provider, ratepayers will be invoiced for the cost of the product and application. Invoice is due within 30 days of invoice date or any outstanding amount will be added to the tax roll by resolution of council and will form part of the taxes.
Non-Landowner	Dust control product ordered by a resident who is not a landowner within the municipality must be pre-paid prior to application.
Construction Areas	Upon completion of a construction project the RM may, upon request, provide at no cost one application of dust control at the coverage rate as identified above to any occupied residential site affected by construction. The timing of the application will be made at Council's discretion.
